• Microsoft Office	• API Development	• Cloud Computing

PROJECTS

SHEARGENIUS

Website: https://sheargenius.vercel.app/

• Designed the complete UI/UX in Figma, focusing on a modern, intuitive, and responsive user experience. Translated these designs into pixel-perfect, reusable components using React and Next.js

• Built with SEO best practices and web accessibility standards (WCAG) to ensure high visibility and usability for all users, resulting in strong performance metrics on Google Lighthouse

• Led the frontend development of the full-stack web application, from initial concept to deployment, designed to streamline the barber appointment booking process for both clients and barbers

EMPLOYMENT HISTORY

Intern Web Developer   **June 2025 - Present**
CodeStack Academy   **Stockton, CA**

• Apply full-stack development skills to build, test, and deploy features for real-world web application projects in a simulated professional environment

• Collaborate in an Agile team, participating in daily stand-ups, sprint planning, and code reviews to develop quality, production-ready code

• Utilize React, Next.js, and TypeScript for frontend development and C#/.NET for backend API development to solve complex technical problems

• Engage with mentors and peers to tackle challenging projects, refine programming skills, and progress development tasks efficiently

AMAZON FULFILLMENT CENTER ASSOCIATE   **Oct 2023 - Present**
Amazon Fulfillment Center   **Stockton, CA**
• Collaborate with a team in a fast-paced logistics environment, utilizing robotic systems to optimize workflow and enhance operational productivity
• Demonstrate strong problem-solving skills by rapidly identifying and resolving fulfillment issues to ensure seamless package handling and maintain customer satisfaction
• Contribute to a positive team environment through clear, proactive communication and by assisting in the training of new team members on operational best practices

COOK / KITCHEN LEAD   **Feb 2023 - Sep 2023**
Sonic Drive-In   **Stockton, CA**
• Led a kitchen team during high-volume periods, improving operational efficiency and reducing order times through effective communication and team coordination
• Trained and mentored new associates on menu execution and safety protocols, resulting in improved team-wide skill levels and consistency
